WORK EXPERIENCE:

NYS ITS Chief Technology Office, Albany, NY 12210   3/2017-Present
Software Developer

- Develop enterprise web apps using Javascript ES6, MongoDB, Express, React, Node.js, Angular, Bootstrap, CSS3, HTML5, and ASP.NET MVC Core
- Currently working as frontend lead on Open FOIL NY, which provides easy and unparalleled access to public records in New York. Open FOIL NY is a convenient and centralized online location to file Freedom of Information Law requests(FOIL) with 59 New York State agencies and public authorities. For the first time in New York, the public has a uniform method to submit requests for government records through a single website
- Also working on an internal system that allows workers to manage and fulfill FOIL requests submitted via online submission
- In addition to my day to day software development role, I also mentor interns in web development
- Lead a small team of interns in the design and development of an ECM developer portal
- Visit my website to see some of the work I've done

Hannaford Supermarkets, Glenville, NY 12302   4/2014-3/26/17
Deli Department Associate

- Slice cold-cuts for customers
- Prepare food bars: Olive bar, Salad bar, Wing Bar, and food platters

McDonalds, Glenville, NY 12302   3/2011-4/2014
Manager in Training

- Manages staff, trains new employees, monitors crew member performance.
- Window and register/Drive thru handout.

EDUCATION:

University at Albany, GPA: 3.8   8/2016-5/2019
